

BLACK SEA HORIZON

Bi-regional STI Dialogue

→ **supports** the EU's external relations and the bi-regional dialogue with the Black Sea Region

→ **stimulates** bi-regional Science, Technology and Innovation (STI) cooperation

→ **contributes** to the establishment of supportive framework conditions by facilitating the pooling of resources and by identifying thematic areas for mutual STI cooperation

→ **increases** the knowledge base about EU's external environment through analytical work

→ **strengthens** the EU's economic competitiveness by supporting bi-regional cluster and innovation cooperation through dedicated trainings and networking activities
