

BSEC MONTH OF CULTURE 2018

PRESS RELEASE

Wednesday 14 November 2018

Moldova

Autumn is a lot about surrealism, isn't it?

Works of Grégoire Michonze, #Moldova-born artist, will add colour to the November mood with its rare sunny days and falling golden leaves.

'My subjects don't have subjects. They only exist in a lyric way. If the poetry is present, the painting is completed. No story. Pure poetry, preferably without a title. That is why I am surrealistic in my own way'. (Grégoire Michonze)

About the ICBSS: The International Centre for Black Sea Studies (ICBSS) was founded in 1998 as a non-profit organisation. It has since fulfilled a dual function. On the one hand, it is an independent research and training institution focusing on the wider Black Sea region. On the other hand, it is a related body of the Organisation of the Black Sea Economic Cooperation (BSEC) and serves as its acknowledged think-tank. Thus, the ICBSS pursues applied, policy-oriented research, promotes knowledge on the Black Sea region both within and outside its boundaries, and offers policy advice with the aim to foster multilateral cooperation among the BSEC member states as well as with their international partners.
