Our second post comes from Romania, incoming BSEC Chairmanship-in-Office for the first semester 2020.

Berca Mud Volcanoes (Vulcanii Noroiosi) are a breathtaking geological phenomenon!

Parted in two places, the small and the big volcanoes, these natural shapes of mud remind us of nature's greatness!

About the BSEC Month of Culture:

Being aware of the rich, diverse cultural heritage of the BSEC region, the **International Centre for Black Sea Studies (ICBSS)** launched the **BSEC Month of Culture (MoC)**, in 2017, with the aim to promote the cultural identity of the Black Sea region and enhance its visibility to the wider public.

The MoC is a month long programme of diverse cultural activities related to the rich cultural heritage of the 12 BSEC Member States. Our aspiration is to establish the 'BSEC Month of Culture' as an annual event that will include more cultural activities each year.

The 1st edition of the BSEC Month of Culture was held successfully on 1-30 June 2017, on the occasion of the 25th Anniversary of the BSEC Organisation. The 2nd edition of the BSEC Month of Culture was launched from 1 to 30 November 2018, on the occasion of the 20th Anniversary of ICBSS.

The 3rd Edition of the BSEC Month of Culture will be launched from 1 to 30 November 2019.

###

About the ICBSS: The International Centre for Black Sea Studies (ICBSS) was founded in 1998 as a non-profit organisation. It has since fulfilled a dual function. On the one hand, it is an independent research and training institution focusing on the wider Black Sea region. On the other hand, it is a related body of the Organisation of the Black Sea Economic Cooperation (BSEC) and serves as its acknowledged think-tank. Thus, the ICBSS pursues applied, policy-oriented research, promotes knowledge on the Black Sea region both within and outside its boundaries, and offers policy advice with the aim to foster multilateral cooperation among the BSEC member states as well as with their international partners.
