

BCSEA

Giuseppe Russo – Senior PO for Capacity Building
European Maritime Safety Agency (EMSA)

Online Workshop

Black Sea projects on coastal and maritime tourism, maritime transports, fishery and aquaculture, digitalization

Gaps and opportunities

Friday, 2 October 2020

About the Project

- Overview

*8 beneficiaries: Azerbaijan, **Georgia**, Kazakhstan, Iran, **Moldova**, Turkey, Turkmenistan and **Ukraine***

- General objective and aims

Enhancing capacity to implement international and EU maritime safety standards

Key Results and Next Steps

- *Beneficiaries provided with:*
 - *Support to prepare and follow-up audit by IMO;*
 - *Support to draft national implementing procedures;*
 - *Support to incentivise cooperation at regional level and with EU MSs;*
 - *Tools and service.*
- *Lack of financial and human resources, lack of maritime expertise is the gap to address and the main challenge*
- *Added value of cooperation and structured approach to the maritime safety as a mean to ensure safe maritime transport and protection of the marine environment are the main concepts to export*

Key Results and Next Steps (cont.)

- *Tools*
 - MaKCs 369 users
 - RuleCheck 194
- *Training courses*
 - 38 sessions
 - 674 participants
- *Technical activities*
 - 26 actions implemented
- *CleanSeaNet services*
 - 11 users
 - 627 images provided

Thank you for your attention.
