BLACK SEA

Stakeholder Conference 2023

Joining Efforts for a Sustainable, Modern and Competitive Blue Economy

Day 1- 22 November 2023. Policy exchange: A sustainable, modern and competitive Black Sea blue economy

Time EET

13:00-13:30

Registration and Welcome Coffee

13:30-14:00

Opening Session

- Official welcome from Romania
- EU Commission, Directorate-General Maritime Affairs and Fisheries
- Overview of 2-day agenda

14:00-14:45

CMA as key opportunity for the Black Sea blue economy (Moderated roundtable)

The session aims to provide an overview of CMA overall framework in support of a sustainable blue economy in the Black Sea. It is an opportunity to reflect on challenges and next steps towards its full implementation, both at the regional and national level.

- CMA in the context of EU sea-basin strategies – EU Commission
- CMA 2023 implementation: priorities and progress – RO CMA Coordination
- Overview of country priorities and national roadmaps – Black Sea Assistance Mechanism National Hubs

14:45-15:30

This session allows relevant regional projects and initiatives to showcase results foreseen and achieved so far, as well as reflect on regional stakeholder needs as possible areas for future CMA support under Goal 1.

1st thematic session: Healthy marine and coastal ecosystems (Moderated roundtable)

- ECODALLI project, Mission Ocean: contribution to ecosystem preservation - TBC
- SRIA Implementation Plan, BS CONNECT, BRIDGE – results, emerging opportunities and way forward - TBC
- Blueing the Black Sea Programme (BBSEA) findings and support for pollution reduction in the Black Sea (World Bank) - TBC
- GFCM FAO tools to ensure sustainable exploitation of living resources in the Black Sea - TBC
- Q&A – gathered on sli.do, most voted questions answered in plenary
